Dear Sample A. Sample,

Reservation #000000000

Could you use \$25,000, \$50,000, even \$100,000 or more - to pay off your credit cards, make home improvements, send your children to college, or do anything else? When you call Champion Mortgage®, it's easy to get the money you need. And you could get it for less than you ever imagined.

You could get \$10,000 for as little as \$58 a month.* That's less than \$2 a day! Take a look at the chart below. You could get thousands more, with low payments that are just as impressive. Your Champion® payments could be unbelievably low - and the interest may even be tax deductible.†

Simply pick up the phone, and your personal Champion Loan Specialist will do everything else. Unlike other lenders, at Champion, there are no application fees, PMI or prepayment penalties - which puts more money back in your pocket. Plus, we do all the paperwork. And you could have your money in as little as 10 to 14 days.

*You don't need perfect credit.
Late payments, even past bankruptcies, are OK!*
