Washington Mutual

We're brand new in Chicagoland, with Financial Centers unlike anything you've ever seen. But we're changing much more than the way that banks look...

We're bringing truly **FREE CHECKING** to town.

You don't need direct deposit for our **FREE CHECKING**. And there's no minimum balance to avoid monthly fees. NO monthly fees, NO per-check fees, NO fees to talk to a teller, NO fees to talk to a telephone banker, NO fees to add standard Personal Online Banking, and NO fees to pay your bills online*—whatever your balance may be.

We're bringing the **PLATINUM ACCOUNT** too—for checking that really pays.

Our **PLATINUM ACCOUNT** is a checking account that pays you interest, just like a money market deposit account. Depending on your balance, the **PLATINUM ACCOUNT** may even be free of monthly fees—so ask for details. Ask about our Certificates of Deposit too. Special features on select CDs could make our great rates even better.

Washington Mutual is even bringing **\$25 American Express® GIFT CHEQUES**.

Open a truly **FREE CHECKING** account, **PLATINUM ACCOUNT** or **CD** by **January 31, 2004**, and we'll send you a **\$25 American Express® Gift Cheque**. Just give this mailer to the representative who opens your new account for you, and we'll send your cheque in 8–12 weeks. It's good virtually anywhere, for virtually anything.†

*Personal Bill Pay is free when linked to an Illinois primary checking account.

†Washington Mutual is not affiliated with American Express. Offer limited to one Gift Cheque per household. Available only in Illinois. Cannot be combined with any other offers. Washington Mutual® is a registered trademark of Washington Mutual, Inc.
