

**YOU WOULDN'T TRUST
A LUMBERJACK
TO GIVE YOU A HAIRCUT.**

Microsoft®

WHY TRUST ANYONE BUT A SOFTWARE EXPERT TO CONNECT YOUR PC TO THE INTERNET?

Software makes the Internet work. And Microsoft® software makes it work better with your Windows® 95 or 98-based PC.

When you send off an e-mail or stop by your favorite site, MSN Internet Access software uses exclusive Microsoft technology to

keep your connections fast and reliable.

MSN Internet Access gets you online with the only Internet software designed just for Windows!

It works with Windows, it talks to the Web, and you get online in the wink of an eye.

**Try the only Internet service designed by Microsoft,
just for your Windows 95 or 98-based PC.
It's FREE* for a MONTH of UNLIMITED HOURS!**

Need help? Simply click "Get Help Connecting to MSN" or call MSN Technical Support at 425-635-7019.

*For users of Windows 95 or higher operating systems only. Includes MSN Internet Access client access software only. One month free unlimited trial is available to new members of MSN Internet Access in the 50 United States and the District of Columbia only. A credit card is required. Local phone and/or long distance toll charges may apply. Local market network activity and capacity may affect access availability. Check with your local phone company to ensure that the access number you select is a local call from your area. You are responsible for any long distance charges incurred when connecting to MSN. Offer expires December 31, 1999.
